### Hairy Stuff

Posted in [Photography](#), [Painting](#), [Film and Video](#) at 5:39 am by webmaster

For a bit of summer fun, drop by **Galerie Joyce Yahouda** and check out the show *Poils*, curated by **Céline B. La Terreur**.

This group exhibit focuses on the theme of rock star culture of the '70s, '80s and '90s. You'll be treated to a selection of pseudo-MTV music video clips with a high cringe factor, some shrines to hairy metal icons, and a wall drawing featuring a diagram of famous hairyness. Don't expect any deep contemplation of the medium, though - this show is as light-hearted and flashy as the genre it pokes fun at.
